CHECKLIST

I have provided the following documents and understand that default values will be used if any information is not available.

- AS BUILT Floor Plans (for design stage use AS DESIGNED)
- Lighting specification (showing load, e.g. w/lux or w/m2@100 lux)
- Heating and Ventilation evidence (please specify make and models for AS BUILT)
- DHW (hot water) evidence (please specify make and models for AS BUILT)
- U-VALUE Evidence to include Architects drawings or other clear evidence

Failing to provide any of the above documents may seriously reduce the rating of the building.
